Dark Brown Mare
Call for Price

This exceptional mare is by our Grand Prix jumper stallion Con Capitol.

She is every bit as talented and eye catching as he is.

Catherine has big, smooth movements, a great attitude and no vices.

She is easy to ride and has a wonderful natural balance. She has a perfect form over fences, seems to have endless scope and has already been showing in 6yo young jumper classes this year.

Catherine is truly a special horse and we look forward to hopefully see her compete in the Grand Prix's in a few years just like her sire.
