Bay Gelding

Cooper is a flashy talented gelding by our own Con Capilot. He is a great mover and an incredible jumper.

Cooper has wonderful ground manners and loves attention. He is an absolute people horse with a great mind and no spook. He is soft in the bridle, walks, trots and canters nicely, has been on some trail rides and even jumped some cross rails under saddle. He is up for anything you would like him to do!

Cooper is a promising prospect for the hunter/jumper ring but would also be an eye-catcher at any dressage show.

Please call for more information on this multi-talented young gelding!
