Falina

2012 16.2h
Oldenburger
Bay Mare

This eye-catching mare is an exceptional prospect for the hunter or dressage ring.

Falina is a fancy mover and has a very engaged hind leg. She has a perfect form over fences and no spook.

She already jumps a small course and her lead changes are nearly automatic.

Falina has no vices and a great attitude. She is easy to ride on the flat and over fences and always wants to please her rider.

Falina is talented enough to be a professional mount with the mind set to be an exceptional amateur horse. We think she could either be an upper level dressage horse or a prospect for hunter derbys.
