## Finley

2012 17.1h  
Oldenburger  
Chestnut Gelding

Finley was born and raised at PCH. His sire Falsterbo was a Grand Prix dressage horse and his mother Golden Girl was a phenomenal hunter.

Finley is a big, eye-catching gelding with fantastic movements and a good jump.

He is easy to ride and very sweet on the ground. His trot and canter are big and smooth and he would make an exceptional dressage horse but also a stunning EQ horse.

Finley has no vices and he always tries to please his rider.

Please call for more information on this talented young gelding.
