Derricons Mister Jones

2008 17.1h

Imported Irish Sporthorse

Chestnut Gelding

Derricons Mister Jones aka "Ben" is an 8yo 17'1h Irish Sporthorse.

He was imported as a fox hunter a few years ago and then fox hunted with his owner as well as doing some pair paces.

He has been in hunter/jumper training since the beginning of the year and now we are getting some show miles on him.

He placed with a kid that catch rode him right away in his first 3'-3'3 medal class as well as in a .95m Child/Adult classics.

He is ready to move up to 3'3-3'6 divisions.

Ben is a very good mover and his flat work is fantastic. He would make a fancy EQ horse but would be a fun jumper or eventer as well.
