

Piper

2011 16.1h
Oldenburger
Chestnut Mare

Piper is a 16'1h 5yo Oldenburg mare by Providence.

She had a fantastic colt by Con Capilot in 2015 and is only under saddle now since beginning of 2016 but is already jumping around a 3' course. This very talented mare shows lots of scope with an incredible hind end and a great attitude.

She loves to jump and has all the right instincts. In a couple month Piper should be ready for the 5yo jumper classes.

Piper is a very personable mare that loves attention.

She is good to ride on the flat and has automatic changes. She is very brave and has no vices.
