Stedman is a talented 3yo gelding with a great attitude. He was bred by PCH in Germany and imported to Plum Creek Hollow Farm as a 2 yr old.

His half brother Cassidy is competing successful in the 5yo young jumper classes in Wellington, FL. Stedman is a big mover and shows lots of suspension, but he also has lots of scope and great form over fences in the free jumping chute.

This makes him not only a hunter/jumper prospect but also extremely interesting for any dressage rider who looks for something special.

Stedman is a fast learner and always tries to please. He a pleasure to work with and to be around. His training has started and he will be going nicely under saddle by early summer. We are very excited about the potential of this nice young prospect.

Don't miss out on this exceptional gelding!
