Wellington

2008 17.2h
Oldenburg
Chestnut Gelding

Wellington is a homebred. He is a well broke five year old who has big smooth movements and would be a really nice dressage or hunter prospect.

He is by our own Weltissimo who was a competitive Grand Prix dressage stallion who competed successfully in Germany under the Olympic rider, Humbertus Schmidt. Wellington has the wonderful temperament and rideability of his sire.

Wellington is a pleasure to be around, has perfect ground manners and no vices. Wellington is easy to ride, always soft in the bridle and light off your leg. He jumps a 3' course with ease and shows great form.

Wellington would be a nice horse for an amateur who wants an impressive looking and easy horse to ride.

He is always eager to please his rider so everyone likes to ride him.
