## Zig Zag

2007 16.1h  
Holsteiner  
Bay Mare

This powerful and scopy mare is by CWF Chaleon and out of our best jumper, Gretchen PCH.

Zig Zag shows everything we would expect from the combination of the Calido I and Gloster bloodlines.

Zig Zag is smooth and easy to ride with a big uphill canter. She has great form over fences, is extremely careful as well as brave and confident.

With her great temperament and personality, Zig Zag is a pleasure to ride and to be around.

Zig Zag competed successfully up to the 3'6" jumper division during the 2012 show season. During the winter she has been schooling at 4+ feet, which is absolutely no Problem for her. She is ready to do the 6yo young jumper division in 2013 and will be very competitive. She would be a great partner for any professional or amateur with high expectations.

Zig Zag has the attitude of a winner!
